RE: NPDES Discharge Permit Llangollen  
Landfill Pumping Wells

Dear Mr. Madora:

Mr. Egan assigned to me the job of issuing the NPDES discharge permit for the pumping wells at the Llangollen Landfill site. The administrative procedure for obtaining the NPDES permit requires that you submit to us an application for a NPDES permit for the pumping wells that are currently active. As I understand it these are wells 27, 28, 29, 31, 53, PW1, RW2, RW3, RW4, RW5 and RW6. I am enclosing standard form C for a NPDES Discharge permit. Would you please complete this form and return it to me.

If you have any questions on completing the enclosed application please don't hesitate to call me at 678-4761.

Sincerely,

*R. R. Bartchy*
